WHAT PARTICIPANTS HAVE TO SAY

The best week of concentrated training across a diverse body of skill and knowledge I have ever experienced. Both my mind and spirit are renewed.

Terry Cooper, Program Director

Excellent planning and content. I could easily find a new idea that I could act on every week for the next year.

It was a breath of fresh air to my program and curriculum. Thanks for the wonderful resources and support.

Bonnie Pier, Teacher

Even though I'm not a teacher, I found the concepts and philosophies amazing and exciting. I will be using ideas in working with my families and children.
